## Hand & Body Creme & Pedicreme

**MD Formulations Hand & Body Creme:** Reveal youthful skin that's soft and healthy with this gentle crème, which works well with all skin types. Our Hand & Body Crème contains a 14% glycolic compound to exfoliate surface skin cells in exposed areas such as hands, elbows and knees. **£28**

**MD Formulations Pedicreme:** Soften & smooth even the roughest feet. This intensive treatment with an 18% glycolic compound exfoliates the rough, dry areas of your feet. Not only does it eliminate thick patches of skin & heals cracks but it retexturises along the way for softer, more supple feet. **£28**
